Instruction fees are payable in February 2012 to –
Taekwondo began as a school sport in 2003 at the request of a few boys who had done Taekwondo in primary school and wished to continue on through high school. Instruction is provided by Wyllie Taekwondo Academy [http://www.wyllietkd.com/] on a Friday afternoon at 3.30pm in the gym. Each year, a boy with a higher belt is elected as captain and assumes a mentoring role to newer students.

Instruction in Taekwondo includes:
- Self defence
- Technique
- Patterns
- Sparring

The boys are regularly graded for their belts. As taekwondo is a self-paced sport, there is no pressure on the students to obtain a particular belt in a set time. There are yearly interschool competitions where the boys form a team and compete at a more formal, competitive level. Fees are paid directly to the taekwondo instructor each term. The falcon Sport registration is paid on a yearly basis.
