

WELCOME TO FALCON FOOTBALL

WHY PLAY WITH US?

Falcon Football is a wholly parent-run organization started in 1993. We provide the opportunity for students from the school to play weekend sport with their schoolmates. While we like to win, we prioritize fun, sportsmanship and safety.

Football is a fantastic way to develop the following skills which will be helpful to you throughout your life:

Communication	Sportsmanship
Coordination	Teamwork
Resilience	Fitness

WHO DO WE PLAY AGAINST?

We compete against other teams in the North Shore via the Northern Suburbs Football Association (nsfa.asn.au). We plan to enter teams in each of U13, U14, U15, U16 and U17's, as well as teams in the Men's All Age competition. The latter is open to current and past students and is a good way to stay in touch with old school friends while staying fit!

While most of our players are from North Sydney Boys High School, we welcome boys from other schools too. If you have friends you'd like to play with, please invite them to join us. We'd like to have about 15 players on each roster.

TIMETABLE

MATCHES / ONCE A WEEK

The season runs from the **start of April to the end of August**. Matches are generally held on Saturday mornings throughout the season. Matches are also usually played on the first and last weekends of the school holidays.

TRAINING / ONCE A WEEK

A fitness and skills training session of about one hour, one afternoon per week, after school will either be held on the **school's all-weather futsal field** or at **Naremburn Park**, near St Leonards railway station. The training sessions for each team will be determined once the teams are finalised in the pre-season.

EQUIPMENT

Falcon Football provides training equipment and playing shirts for use during the season. Shirts are to be returned to the club at the end of the season.

You will need to supply your own boots, socks (available from the school uniform shop) and shin pads. Team shorts should be purchased from the club (approx. \$20).

FEEES

The **registration fee** covers the following:

- NSFA / FNSW / FFA fees
- Players' insurance
- Council's ground fees
- Shirts and training equipment

Coaches are organised by the club. Depending on whether a junior or senior coach is recruited for the season, the fee per player will be from **\$60 to \$100**.
